

SEMINAR SERIES - JUNE / JULY 2017

You are invited to attend a two-hour educational seminar targeting information for those working in the masonry industry.

SESSION 1: DRUG AND ALCOHOL TESTING

In this session, you will understand what testing methods are available and what they will detect and you will be part of a discussion of when to test and how.

This session will be used to help develop a Drug and Alcohol Policy for NZMTA.

Presented by Advanced Diagnostics

SESSION 2: MANAGING STAFF

In this session, we will talk about how to manage poor performance, how to deal with staff issues including bullying and what to do if you think you need to let someone go.

Presented by Melanie McIver, CEO BBFNZ
